Boost your cyber-savvy IQ at this year’s Tri-Valley Commerce Con!

Increasingly, local businesses find themselves competing online to remain successful. *Tri-Valley Commerce Con: Cyber-Savvy Edition* provides you with information to reach and connect with new audiences, while maintaining the virtual security of your business – and its reputation.

- Session speakers from top online industry and security representatives, including Yelp, LinkedIn, and the Privacy Enforcement and Protection Unit of the California Attorney General’s Office.
- Exhibit Hall featuring valuable resources committed to helping your business succeed online.
- One-on-One consultations with social media and cyber security experts – including session speakers.
- Networking opportunities.
