CITY OF DUBLIN'S BACK TO SCHOOL SAFETY REMINDER

DUBLIN, Calif., August 26, 2014 – Wednesday, August 27, marks the start of the new school year for Dublin's public schools, and traffic around local school sites can be hectic. Dublin Police Services reminds students, parents, and area residents to allow extra time when traveling during school drop off and pick up times, and to drive cautiously and act courteously towards others. Remember, pedestrians crossing the street—both in crosswalks and intersections—have the right-of-way and drivers must yield to them at all times.

Dublin Police Services will be providing traffic education and enforcement around all Dublin schools, including enforcement of “no texting while driving,” during back to school week. Please be reminded that the posted speed limit around schools when children are present is 25 mph.
