DRAFT TRI-VALLEY HAZARD MITIGATION PLAN AVAILABLE FOR PUBLIC REVIEW

COMMENT PERIOD OPEN DECEMBER 12, 2017 – JANUARY 11, 2018

DUBLIN, Calif., December 11, 2017 – In March 2017, the Cities of Dublin, Livermore, and Pleasanton, along with the Dublin San Ramon Services District (DSRSD), embarked on a planning process to prepare for and lessen the impacts of specified natural hazards within the Tri-Valley planning area by developing the Tri-Valley Hazard Mitigation Plan. Responding to federal mandates in the Disaster Mitigation Act of 2000 (Public Law 106-390), the partnership was formed to pool resources and to create a uniform hazard mitigation strategy that can be consistently applied to the defined planning area and used to ensure eligibility for specified grant funding success.

The Tri-Valley planning partnership invites residents and other stakeholders to review and comment on the recently completed Tri-Valley Multi-Jurisdictional Hazard Mitigation Plan (HMP). The 30-day public review period of the Draft Plan begins on Tuesday, December 12, 2017, and ends on Thursday, January 11, 2018, at 5:00 p.m. (PST). A brief presentation regarding the Draft Plan and opportunities to receive public comment will be provided during this comment period on:

Friday, December 22, 2017
6:00 - 7:00 PM (PST)
Dublin San Ramon Services District (DSRSD)
7051 Dublin Blvd.
Dublin, California 94568

The principal means for the public to provide comment on this plan will be through a dedicated website, <https://www.tri-valley-hmp.com>. This website is the “one-stop shop” for all information on this plan, and the public is encouraged to visit this site to learn more about the plan and the drivers for the process. The plan contains two volumes:

- Volume 1 contains components that apply to all partners and the broader planning area.
- Volume 2 contains all components that are jurisdiction-specific. Each planning partner has a dedicated annex in Volume 2.

Please direct your comments and questions on the HMP to Rob Flaner, Tetra Tech, Inc., at rob.flaner@tetratech.com or (208) 939-4391.
