### CITY OF DUBLIN INVITES DESIGNS FOR NEW TEMPORARY PUBLIC ART PROJECT

**DUBLIN, Calif., November 12, 2019** – The City of Dublin invites qualified professional artists and high school student artists working under the supervision of a professional artist or art teacher to submit designs for a new temporary public art program, decorating Adirondack chairs.

Adirondack chairs will be awarded to different artists based on design. Artists will be given the option to submit a design for one chair or a set of two chairs. The City Council has selected the theme, “New American Backyard,” for the project.

The City will pay a stipend of \$1,000 to each artist or, if the artist is a student or on a student team, to the supervising professional artist or art teacher. The \$1,000 stipend will be paid to the artist whether they choose to design one chair or a two-chair set.

The decorated Adirondack chairs will be on temporary display for public viewing at selected businesses, parks, and events throughout Dublin from March 2020 through September 2020. At the end of the exhibition, all of the chairs will be sold in an auction during a fall City event.

Applications are available online at [www.Dublin.ca.gov/2154](http://www.Dublin.ca.gov/2154). All proposals must be received by Recreation Coordinator Tyler Phillips by Friday, November 29, 2019, 5:00 p.m.
