Meet the Lenders

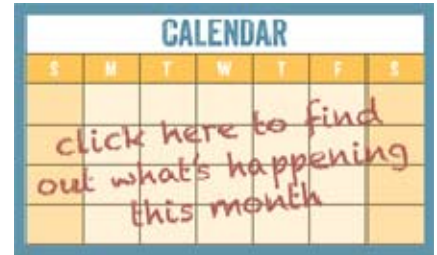

Dublin is proud to host the final Tri-Valley Small Business Assistance event "Meet the Lenders" on Thursday, October 8, 2015. Panelists from various lending institutions will present information about:

- Crowd Funding
- Alternative Funding
- Small Business Administration
- Commercial Banks
- Micro Lending
- State Lending Programs

Meet the Lenders

At the conclusion of the panel discussion, the panelists will meet one-on-one with attendees to answer questions. For registration or more information, visit our [website](#).

In This Issue

Manufacturing Day

Manufacturing Day highlights the importance of the many manufacturing firms in our community and expands knowledge about manufacturing careers and

manufacturing's value to the U.S. economy. We hope several Dublin firms will participate in the event on Friday, October 2, 2015. Please visit [Manufacturing Day](#) to learn more.

Opening Soon: The Bay Area's Next Express Lanes - I-580 Express Lanes Will Improve Commute Through Tri-Valley

[Get your FasTrak Toll Tag Now!](#)

[Carpoolers ride toll-free with FasTrak Flex.](#)

Commuters on I-580 through the Tri-Valley will soon be able to spend less time in stop-and-start traffic. Express lanes are specially-designated carpool/HOV lanes that give solo drivers the choice to pay a toll to use the lane when there is excess capacity, improving the commute for all motorists. A FasTrak® or FasTrak Flex toll tag is required for all I-580 express lane users. Get yours today [online](#) or at Costco, Safeway or Walgreens stores throughout the Tri-Valley.

Carpools, vanpools, motorcycles, buses and eligible clean-air vehicles use the I-580 express lanes for free as long as they carry a FasTrak Flex toll tag set to 2 or 3+. Solo drivers can choose to pay a toll using a standard FasTrak or FasTrak Flex toll tag set to 1 to access the lanes for more reliable travel times. Getting your FasTrak toll tag and opening an account is easy at [FasTrak](#).

The new lanes, scheduled to open in late 2015 (weather dependent), will feature near continuous access - so drivers can enter and exit at almost any point, providing easy access to and from local exits. Learn more and sign up to receive express lane updates at [Alameda County Transportation Commission's webpage](#).
