

Whole Foods Market Dublin

About: Whole Foods Market Dublin opened in May of 2015. We currently employ about 240 Team Members and have roughly 41,000 square feet of space. Our store features a wine and beer bar with over 50 wines by the glass and 12 beers on tap. We have a BBQ hot bar with all items smoked and prepared right here in the store. We feature in house smoked seafood, a full service juice and coffee bar, wine tastings, and a full outdoor eating area to name a few of our highlights. Whole Foods Market prides itself on sustainable practices and we have many in store programs to help reduce waste and our carbon footprint.

Achievements:

- Solar panels on the roof offset up to 10% of our energy usage
- Only Grocery store in the country to have an ammonia based refrigeration system
- 100% LED lighting throughout
- Full composting and recycling program
- Hazardous waste disposal program
- Electric vehicle charging stations
- Refunds given for use of reusable bags
- All lights are on ambient sensors to brighten and dim automatically
- Consistent in store waste auditing program
