**Indemnification.** Permittee shall indemnify, hold harmless, and defend the City (including its elected officials, officers, agents, and employees) from and against any and all claims (including litigation, demands, damages, liabilities, costs, and expenses, and including court costs and attorney's fees) resulting or arising from performance, or failure to perform, under this application (except only for those claims arising from the City's sole negligence, willful misconduct, or active negligence, as defined by California Civil Code section 2782). This permit shall inure to the benefit of and be binding upon the Permittee and the Permittee's respective successors and assigns. This permit shall not be assigned or transferred without the written consent of the City.

Issuance of this permit is for work on the Saturday/Holiday listed above between the hours of 8:30 a.m. and 5:00 p.m., which requires City Public Works Inspection.

This permit may be revoked at any time at the City Engineer's discretion if Permittee fails to comply with or violated any of the following provisions set forth by this permit:

1. Work hours on Saturdays and Holidays are restricted to 8:30 a.m. and 5:00 p.m.
2. This permit covers City Public Works inspection, and must be submitted in writing no later than 5:00 p.m. Wednesday prior to the Saturday or three (3) days prior to the Holiday.
3. The Permittee understands that this request is for work on a Saturday or Holiday that requires City Public Works inspector to work extra hours. Permittee acknowledges and is authorized by the Owner/Agent of the City Processing Agreement for the developer deposit account to submit this request and incur these charges.
4. The Permittee shall comply with the project Conditions of Approval or Plans and Specifications and City Ordinances (i.e. dust, noise, erosion control, etc.) at all times.
5. This permit does not convey blanket permission for all Saturdays/Holidays, nor does it cover services by Building Division inspectors. Please contact the Building and Safety Division of the Community Development Department if building inspection is required.

I have read, understand, and agree to comply with the permit rules and regulations, as well as those stated on this permit application. I further agree to comply with the applicable state laws, rules of any governmental agency involved, City ordinances, special requirements, any standard details attached to this permit, including any approved plans and specifications. No changes of any nature in the work to be performed thereunder shall be made unless such change shall have first been approved in writing by the Director of Public Works and an amendment to this permit executed.
