Accessing County-level Quarterly Workforce Indicators

Did you know that since July 2018, the basic data from the Quarterly Workforce Indicators at the state and county levels is now available online through the free Census Business Builder online tool?

The Small Business Edition provides easy access to information about potential customers and similar businesses for those starting or planning a business, while the Regional Analyst Edition provides easy access to information about the residents and businesses in an area for regional planning and other activities.

To learn more about using Census Business Builder to access the Quarterly Workforce Indicators, attend a webinar on **Wednesday, June 26, 2019** at 10:30 a.m.

For more information, visit the Census [website](#).

Startup Grind, Dublin Chapter

Startup Grind is a global startup community designed to educate, inspire and connect entrepreneurs through events featuring successful local founders, innovators, educators, and investors who share personal stories and lessons learned on the road to building great companies. Over the past year, the Dublin, CA Chapter, with sponsorship from the City of Dublin, has held "fireside chats" with:

- **Harish Ramchandani**, Founder and CEO, Fashmates Inc., about harnessing the power of community and building brand loyalty.
- **Jonny Price**, Business Director at Wefunder, about equity crowdfunding.
- **Ha Nguyen**, Founding Partner of Spero Venture, about using passion and empathy to create products that customers love.
- **Marc Lowe**, Founder of Praxis Ventures, about the secrets of startup success.

For more information or to sign-up to receive updates about events hosted by

the Dublin chapter, visit their [website](#).

SBA Small Business Resource Guide

The Northern California Small Business Resource Guide for 2019 is now available from the U.S. Small Business Administration (SBA). Contact the San Francisco District office to request a hardcopy (available in English and Spanish) or you can download a copy [online](#). The San Francisco SBA Office can be reached at (415) 744-6820 or via [email](#).

Looking to hire? Tri-Valley Career Center Resources

The Tri-Valley Career Center (TVCC) can connect businesses with job-ready candidates, as well as assist with recruitment, host hiring events, and perhaps even reimburse some training costs.

TVCC supports businesses and job seekers with free resources, including workshops, counseling, training and job referrals. TVCC clients have recently found positions as software engineers, office administrators, general managers, medical assistants, bookkeepers, product controls analysts, mechanical engineer technologists, truck drivers, and sales managers, just to name a few.

For more information, visit their [website](#).
