support Tri Valley individuals and  
families!

### KEY FACTS

- Food insecurity is a year-round issue
- Local food pantries are in need of grocery store gift cards to replenish provisions
- Food insecurity results in negative academic outcomes in children, and adults are at greater risk for diabetes, hypertension, and poor mental health
- Tri Valley organizations provide assistance to over 775 households and serve over 25,000 meals each month

*The mission of Feed Tri Valley is to be part of a larger movement to end hunger by educating and soliciting donations to feed this local community.*
