

JULY 24, 2019, 1 P.M. & 6 P.M. **PUBLIC FORUM ON** **PG&E RATES**

Please join the California Public Utilities Commission (CPUC) in Oakland to provide comment on PG&E's rate increase request.

Pacific Gas and Electric Company (PG&E) is seeking CPUC approval to increase customer rates by 6.4 percent, or \$10.57 per month, for PG&E's typical residential electric and gas customer.

The purpose of this public forum (called a Public Participation Hearing) is to provide an opportunity for customers of PG&E to communicate directly with the CPUC regarding PG&E's rate increase request.

The CPUC regulates privately owned electric, natural gas, telecommunications, water, railroad, rail transit, and passenger transportation companies.
