## GFWC DUBLIN/SAN RAMON WOMEN'S CLUB

NOMINATOR: VALERIE BARNES

The GFWC Dublin/San Ramon Women's Club (DSRWC) was organized in 1965 and has since been in service to the communities of Dublin and San Ramon. In the year 2019, this 70+ member organization has been dedicated to serving the needs of our communities. These members have contributed 10,517 hours in service in 13 fields. The expenditure of funds to various causes amounted to \$40,000+. DSRWC strives to serve the needs of our area shelters to include Tri-Valley Haven and Shepard's Gate. The

needs of the Dublin and San Ramon School District are a major focus of our organization's time and money. We also realize needs of programs such as Operation Smile and Heifer International. For many years, we have also supported Pine Plantations in the Stanislaus Forest to assist with our State forest needs. In 2019, we started with the first Martin Luther King, Jr. Day of Service and are now hosting the 2<sup>nd</sup> Annual MLK Day of Service, hoping that this will be a yearly event. It is an honor to be part of Dublin and we show that pride by participating in the wonderful celebrations of Dublin's St. Patrick's Day and Dublin Pride Week.
