Alameda County Issues Updated and Extended Shelter-in-Place Order

Revised Alameda County Shelter-in-Place Order

On March 31, 2020, the Health Officer of Alameda County extended the existing Shelter-in-Place Order through May 3, 2020 to prevent the spread of COVID-19 (Coronavirus). The new Order is also more restrictive in a number of ways.

NEW RESTRICTIONS

Major new restrictions for businesses include:

- Social distancing requirements are **now mandatory**.
- Before Friday, April 3, 2020, essential businesses that continue to operate **must complete, post, and implement a social distancing protocol for each facility** (*see more details below*).
- Essential businesses that continue to operate facilities in the County **must scale down operations to their essential component only and maximize the number of employees who work from home**.
- Businesses that supply products needed for people to work from home **are no longer essential businesses** under the Order and must cease operations (except minimum basic operations).
- Most construction - residential and commercial - **is prohibited**. Exceptions are detailed in the Order.
- Childcare facilities are permitted if they are providing services that enable owners, employees, volunteers, and contractors for Essential Businesses or Essential Governmental Functions to work are

Required Social Distancing Protocol

Essential businesses that continue to operate facilities should download, complete and post the Social Distancing Protocol. Alameda County has provided a template in [English](#) | [Spanish](#) | [Chinese](#) | [Vietnamese](#)

No later than 11:59 p.m. on Thursday, April 2, 2020 each Essential Business must:

- Post their "Social Distancing Protocol" at each of their facilities in Alameda County frequented by the public or employees.
- The Social Distancing Protocol **must** be posted at or near the entrance of the relevant facility, and shall be easily viewable by the public and employees.
- A copy of the Social Distancing Protocol **must** also be provided to each employee performing work at the facility.
- All Essential Businesses **shall** implement the Social Distancing Protocol and provide evidence of its implementation to any authority enforcing this Order upon demand.
- The Social Distancing Protocol **must** explain how the business is achieving the following:
 - Limiting the number of people who can enter into the facility at any one time to ensure that people in the facility can easily maintain a minimum six-foot distance from one another at all times, except as required to complete the Essential Business activity;
 - Where lines may form at a facility, marking six-foot increments at a minimum, establishing where individuals should stand to maintain adequate social distancing;
 - Providing hand sanitizer, soap and water, or effective disinfectant at or near the entrance of the facility and in other appropriate areas for use by the public and employees, and in locations where there is high-frequency employee interaction with members of the public (e.g. cashiers);
 - Providing for contactless payment systems or, if not feasible to do so, the providing for disinfecting all payment portals, pens, and styluses after each use;

- Regularly disinfecting other high-touch surfaces; and
- Posting a sign at the entrance of the facility informing all employees and customers that they should: avoid entering the facility if they have a cough or fever; maintain a minimum six-foot distance from one another; sneeze and cough into one's elbow; not shake hands or engage in any unnecessary physical contact.
- Any additional social distancing measures being implemented (see the Centers for Disease Control and Prevention's [guidance](#)).
