Face Coverings NOW REQUIRED In Public

To control the spread of COVID-19, the Alameda County Health Officer issued an order on April 17, 2020 for all residents and workers to wear face coverings when conducting essential business and when around others outside of their immediate household. Combined with physical distancing and frequent handwashing, face coverings may reduce the risk of infection posed by people who are infected and without symptoms.

For more information, visit the Alameda County Public Health Department's FAQ [webpage](#) including FAQs in multiple languages and the Face Covering Sign for Essential Businesses (available in multiple languages).

Reminder About State's Relief and Extensions for Filing Sales and Use Tax Returns

California business taxpayers who file a return less than \$1 Million dollars have an additional 3 months to file their return, between now and July 31, 2020. If you qualify for this extension it is automatic and you do not need to apply.

If your tax liability is \$1 million or more, you may request an extension if you are unable to file and pay timely. These requests will be evaluated on a case-by-case basis and taxpayers will be notified if their extension has been approved or denied. To request for an extension, follow the directions on CDFTA's [website](#).

Eligible small business taxpayers with less than \$5 million in taxable annual sales, can also take advantage of a 12-month, interest-free, payment plan for up to \$50,000 of sales and use tax liability only. You can sign up to be notified when the online request portal becomes available via an online form on their [website](#) or by calling 1-800-400-7115.
