

DOING BUSINESS IN OUR BACKYARD

General Business News & Information

Energy Efficiency Resources for Businesses

Dublin businesses can take advantage of a number of financial incentives and opportunities to increase energy efficiency in their daily operations. The City's Energy webpage has information on simple steps businesses can take to reduce their energy bill as well as information on rebates and 0% financing for energy efficiency programs that could help reduce energy bills long term.

For more information, visit the City's Energy [webpage](#).

East Bay Economic Outlook Report

The East Bay Economic Development Alliance has released their 2020 East Bay Economic Outlook report which covers regional trends and an outlook on the East Bay's economic future.

We're Here for You

We understand all businesses have been impacted by COVID-19 in some way. The City of Dublin has created a [Business Resource Guide](#) (last updated 5/15/2020) that provides information on federal, state and local financial assistance as well as support programs, online tools, webinars, and private resources available to impacted businesses.

If you need assistance, Economic Development Staff are available via [email](#) or by calling 925-833-6650 during regular office hours. Language assistance is available over the phone by request.

The Dublin Business News Update is a monthly publication highlighting the latest news and event affecting the business community. For more information or assistance, please contact Economic Development via email, economic.development@dublin.ca.gov, or phone: (925) 833-6650.
