

CHANGES TO FIREWORKS USAGE DURING COVID-19 PANDEMIC

**NO FIREWORKS
OF ANY TYPE,
including “Safe and Sane,”
will be allowed at Dublin
multi-family housing units
or at any City facility, park,
business, or school.**

To report individuals using, possessing, or selling illegal fireworks, call the Non-Emergency Police Dispatch line at 462-1212.

The City of Dublin’s Fire and Police Departments enforce a **“zero tolerance”** policy as it relates to sales, possession, and use of illegal fireworks.

Remember, any firework that flies in the air, travels across the ground, or explodes, is considered illegal in California. **If it doesn’t have the California State Fire Marshal seal on the packaging, or the seal is labeled dangerous, it’s illegal.**
