

# COVID-19 UPDATES & INFORMATION

## Special Notice to Dublin Businesses

June 18, 2020

### **Alameda County Public Health Order Officially Revised to Allow Additional Activities to Resume**

Following last week's announcement that the Alameda County Health Officer would soon be allowing for a greater relaxation of the Shelter-in-Place Order, a new Health Order ([20-14a](#)) has been officially released today (June 18, 2020), allowing certain additional businesses to resume starting at 8:00 a.m. on Friday, June 19, 2020.

*Physical distancing, face coverings, and Site-Specific Protection Plans apply for all settings.*

The additional businesses listed below may begin operating, subject to the requirements set forth in the Health Officer [Order no. 20-14a](#) tomorrow, Friday, June 19, 2020 at 8 a.m. A complete list of all additional businesses including religious and cultural ceremonies; First Amendment events; outdoor museums, outdoor historical sites, and publicly accessible gardens; and college sports can be viewed as part of the full Health Order online at the Alameda County Public Health Department's (ACPHD) [website](#).

#### **RETAIL**

- Permitted indoor/outdoor, including malls
- Stores must limit capacity to 50% of normal maximum capacity or the number of people who can maintain a distance of 6 feet from each other at all times, whichever is lower
- Stores may move goods outside for display or sales if local permits allow
- ACPHD recommends continuing curbside and delivery services as much as possible

#### **OUTDOOR DINING**

- Outdoor seating arrangements limited to six people per table, all from same household or Social Bubble
- Tables must be six-feet apart
- Entertainment events not allowed

- Restaurant must comply with relevant laws, regulations and permitting requirements
- Takeout and delivery options strongly encouraged
- Alcohol sales:
  - Alameda County is not a Variance County at this time, and restaurants seeking a [Temporary Catering Permit](#) to serve alcohol outdoor from the State Department of Alcoholic Beverage Control may experience delays
  - Wineries with on-site restaurants may do tastings with food pairings outdoors
  - Brewpubs, breweries, bars, pubs, craft distilleries, and wineries that do not provide sit-down meals themselves can contract with another vendor to do so. The alcohol must be sold in the same transaction as a meal.
  - Bars must remain closed to the public, but may provide pickup/takeaway service with the sales of bona fide meals. These meals may be provided by an affiliate restaurant or by a food service provider that partners with the bar. Alcohol and meal delivery must occur in the same transaction at the same location.

## **OUTDOOR FITNESS CLASSES**

- Limited to 12 people at a time, spaced at least 6 feet apart at all times
- Person-to-person contact prohibited
- Sharing equipment is prohibited

Alameda County takes this step cautiously and will continue to closely monitor COVID-19 data and trends to inform future decisions. Resources for businesses are available on the Alameda County Public Health Department [website](#) and additional links are provided below:
