

DISCRETIONARY GRANT PROGRAM GUIDELINES

Rev. June 19, 2020

DUBLIN

1. Introduction

Each year, non-profit organizations provide programming, services, and other valuable contributions that help make Dublin a great place to live, work and raise a family. Understanding the important part these organizations play in the Dublin community, the City Council has created the City of Dublin's Discretionary Grant Program. This program is designed to help assist local non-profit organizations in providing community benefits which serve all Dublin residents.

The City Council has made an annual appropriation of \$15,000 to support this program.

The City will accept grant applications on a rolling basis beginning on July 1 of each year. 50% of total annual funding will be available from July 1-December 31 (Period 1) with the remaining 50% of funding available from January 1-June 30 (Period 2).

Dublin based non-profit organizations are encouraged to apply, however not every application will receive funding.

2. Eligibility Requirements

In order to be eligible for funding through this program, each applying organization must meet all of the following criteria:

1. Must be located within the City of Dublin or serve Dublin residents.
2. Must be a registered 501(c)3 non-profit organization or a group associated with a Dublin school.
3. Must not be financially dependent upon funding to meet the organization's annual budget or operational requirements.
4. Must directly provide the services or programming for which the grant funds are requested.

The funding this program provides must be used for a public purpose or benefit. Funded activities must be **open and accessible** to all members of the public regardless of race, creed, gender, sexual orientation.

Funding used from this program may not:

1. Promote or support political, religious, commercial or other private activities.
2. Fund educational scholarships or other monetary awards.
3. Fund the purchase of meals, alcohol, travel, or lodging accommodations.
4. Fund capital purchases or fund-raising activities.
5. Fund any non-public purpose activities as determined by the City Manager or their designee.

3. Program Overview

Under this program, eligible organizations will have the option to apply for two types of grants: Block Grants and Matching Grants. Only one type of grant may be awarded per event or program each year.

3.1 Block Grants

Maximum Grant Award: \$500

Period 1 Available Funding: \$2,500 | Period 2 Available Funding: \$2,500

Block Grants do not require any match on the part of the applicant. The City will provide funding up to \$500 per application.

3.2 Matching Grants

Maximum Grant Award: \$2,000

Period 1 Available Funding: \$5,000 | Period 2 Available Funding: \$5,000

Matching Grants require that applicants provide 50% of the total grant award in matching funds. For example, if an organization is requesting \$1,000 in City funding, they will need to provide evidence that they have \$500 to contribute as a match. The City will provide funding up to \$2,000 per application. Block grant funding cannot be used as match funding.
