Paycheck Protection Program Reopened

The Small Business Administration (SBA) resumed

accepting Paycheck Protection Program (PPP) applications on July 6, 2020 in response to the PPP Extension Act. The new deadline to apply for a PPP loan is **August 8, 2020**. Loan applications are made directly with a participating lender.

The PPP is a loan designed to provide a direct incentive for small businesses to keep their workers on the payroll. SBA will forgive loans if all employee retention criteria are met, and the funds are used for eligible expenses.

The following entities affected by COVID-19 may be eligible:

- Any small business concern that meets SBA's size standards (either the industry-based size standard or the alternative size standard)
- Sole proprietors, independent contractors, and self-employed persons
- Any business with a NAICS Code that begins with 72 (Accommodations and Food Services) that has more than one physical location and employs less than 500 per location
- Any business, 501(c)(3) non-profit organization, 501(c)(19) veterans organization, or Tribal business concern (sec. 31(b)(2)(C) of the Small Business Act) with the greater of:
 - 500 employees, or
 - That meets the SBA industry size standard if more than 500

Lastly, the SBA also recently made some changes to PPP eligibility based on the applicant's criminal history which can be viewed on the SBA website.
