Special Notice to Dublin Businesses

July 11, 2020

Alameda County Update on Outdoor Dining

We wanted to make you aware of the announcement by Alameda County Public Health Department (ACPHD) regarding the discrepancy around the State and the local order when it comes to outdoor dining. Please know that the City of Dublin will not be conducting any local enforcement this weekend and will assess the discrepancy and seek clarity early next week on how to proceed. The State has developed Strike Teams that may or may not conduct enforcement this weekend in the County, so restaurants should understand this information if they hold California Department of Alcoholic Beverage Control (ABC) licenses.

ACPHD is currently moving toward obtaining a variance from the State to proceed further ahead in the State's Resilience Roadmap. As part of the variance attestation, the County Board of Supervisors will consider approving a letter of support at their meeting on July 14, 2020.

According to ACPHD's announcement, the State issued [updated guidance](#) prohibiting outdoor dining in non-variance counties, which includes Alameda County. While Alameda County's Health Officer Order allowed for outdoor dining, under this stricter State guidance, all restaurants, wineries and bars in Alameda County may only be open for drive-through or pick-up/delivery options.
