Extension for Alcoholic Beverage Control (ABC) License Renewals

Beware of Scams and Fraud Schemes

Be on the lookout for grant fraud, loan fraud, and phishing!

The Office of Inspector General is alerting the public about potential fraud schemes related to economic stimulus programs offered by the U.S. Small Business Administration in response to the Novel Coronavirus Pandemic (COVID-19). The Coronavirus Aid, Relief, and Economic Security (CARES) Act, the largest financial assistance bill to date, includes provisions to help small businesses. Unfortunately, fraudsters have already begun targeting small business owners during these economically difficult times.
