

FOR MAYOR OF DUBLIN
ARUN GOEL
Occupation: Councilmember/Engineer

Age: 47

With my wife and three children, I am proud to call Dublin my home. I have been a council member for the last four years.

Dublin has flourished over the past few years. As a caring, proud, long-term resident, I have seen Dublin grow and prosper. However due to term limits, Dublin will have a new Mayor. I will lead Dublin with vision, foresight, and accountability. I am a professional, independent, strategic, honest and clean money candidate, who has never accepted contributions from developers or special interests.

My degree in Civil Engineering has helped me deliver significant public infrastructure and oversee capital projects throughout the nation. While on Council, I have expanded my in-depth understanding of the governmental budget processes, city planning, communication and creating full transparency of my work.

My core fundamentals as Mayor will be focused on Covid-19 recovery, helping local businesses, smart sustainable growth, transportation infrastructure, and improving quality of life for Dublin residents. I am committed to reduce market rate housing growth, while addressing needs for affordable and senior housing.

I pledge to unite and establish a sustainable, safe and environmentally friendly city for generations to come. Contact me at agoel@arungoel.net or visit www.arunformayor.com.

MELISSA HERNANDEZ

Occupation: **Dublin City
Councilmember**

Thank you for the honor of representing you! As a parent advocate, small business manager, Human Services Commission Chair, Councilmember, and Vice Mayor, I've worked to maintain Dublin's amazing quality of life for two decades.

I'm proud of my leadership to improve classrooms, support veterans and seniors, improve Dublin's parks, reduce traffic, and implement responsible budget practices.

As one of Alameda County's top COVID response coordinators, I've expanded food access for hundreds of children, seniors, and veterans; provided free Dublin COVID testing; created micro-loans and disbursed masks to local businesses.

As your Mayor, I'll provide visionary, results-oriented leadership to protect your health, safety, and services during these extraordinary times. I successfully fight for Dublin's interests and fair share of money on a daily basis through my work on regional and County boards, where I advocate for clean energy, clean air, and traffic reduction measures on 580/680.

Voting for me ensures Dublin continues to be ready for any emergency. I'll strengthen City-School partnerships, demand developers pay their fair share, and fight ferociously for our open space and reduction to traffic.

Join Tri-Valley Mayors, Firefighters, and Dublin School Leaders in supporting me.
