Don't stop having fun when you get older because you will get older when you stop having fun!!!

When you are dissatisfied and would like to go back to youth, think Algebra.

~ Will Rogers

I will never be over the hill. I'm too darn tired to climb it!

Don't let aging get you down. It's too hard to get back up.

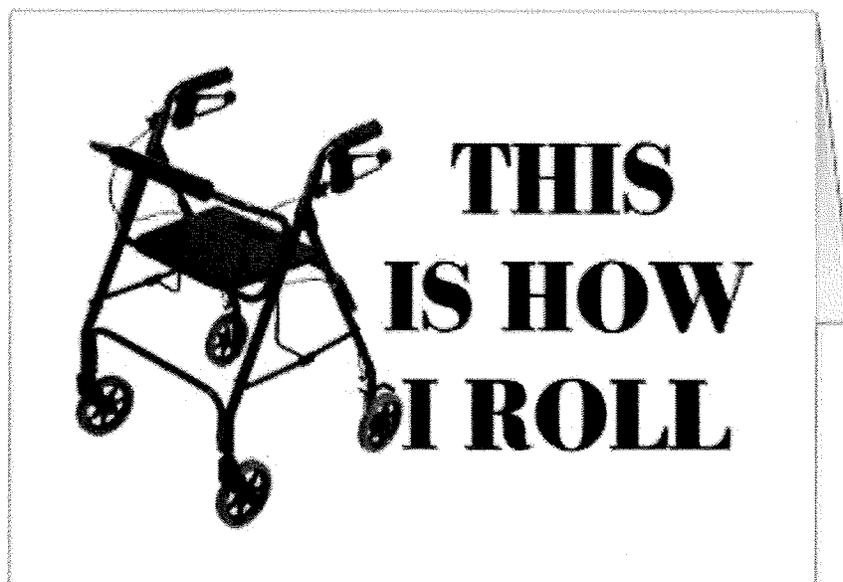

~ John Wagner

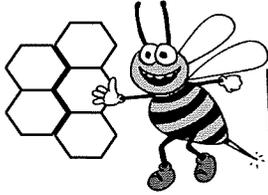

My granddaughter asked me what it was like to be old. So I told her, "Put cotton in your ears and pebbles in your shoes. Pull on rubber gloves. Smear Vaseline over your glasses, and there you have it: instant Old Age."

~Sandi V.

People born in the 50's have lived 7 decades, 2 centuries & 2 millenniums. We had the best music, fastest cars, Drive-in theaters, soda fountains & happy days. And we are not even that old yet, we're just that cool.

Young people are acts of nature, but old people are works of art.
