

CITY OF DUBLIN PUBLIC NOTICE

The Community Development Director will take action on the following project:

Project Name: St. Patrick Way Parking Reduction (PLPA-2020-00011 & 12)

Project Description: The Applicant, AvalonBay Communities, Inc., is requesting approval of a Minor Use Permit for a Parking Reduction for an Individual Use to allow the number of parking spaces for the St. Patrick Way Residential Project to be reduced from 785 spaces to 699 spaces. The St. Patrick Residential Project is a 499-unit residential apartment complex approved in May 2018 (PLPA-2017-00069). In addition, the request includes a Minor Use Permit for Shared Parking to allow the on-site garage parking spaces to be shared with BART patrons. Staff recommends that the Project be found Categorical Exempt from the California Environmental Quality Act.

Project Location: 6700 Golden Gate Drive; APN: 941-1500-047-07

The City will accept comments on the proposed project until 5:00 pm on October 12, 2020. The Community Development Director will take action on this project on or after October 13, 2020. A written appeal may be made within ten (10) days of such action by anyone who advised the City of his/her concerns prior to the close of the comment period. If you challenge the described action in court, you may be limited to only those issues raised prior to action being taken.
