## Curfew Imposed by State of California to Help Curb COVID-19

With the increasing number of COVID-19 cases throughout California, the State's Acting Public Health Director issued a limited Stay at Home Order and has issued a curfew on non-essential businesses and personal gatherings between 10:00 p.m. and 5:00 a.m. for all communities that are in the Purple Tier of the State's "Blueprint for a Safer Economy;" Alameda County is currently in the Purple Tier.

**Non-essential businesses and personal gatherings are prohibited between 10:00 p.m. to 5:00 a.m. beginning Saturday, November 21, 2020.**

This Order does not prevent restaurants from operating after 10 p.m. for takeout and does not prevent people from going to the grocery store or pharmacy for essential needs, etc. Also, people conducting essential business during those hours or who are traveling to and from work are exempt.

The curfew will be in effect from Saturday, November 21, at 10:00 p.m., through Monday, December 21, at 5:00 a.m. and may be extended or revised by the State as needed.
