DUBLIN BUSINESS BRIEF

November 18, 2020 Special Notice

Updated Restaurant Operating Procedures from Alameda County

The Alameda County Department of Environmental Health (DEH) updated the Restaurant Operating Procedures to reflect the restrictions related to dining while Alameda County is in the Purple Tier (the most restrictive tier in the State's Blueprint for a Safer Economy).

Additionally, the update provides new, detailed guidance related to canopies and covered sides including that:

Umbrellas, canopies, and other shade structures, if approved, must:

- be minimally open on three sides to allow for the free flow of air through the space, or
- have two (2) one-half walls or "pony walls" of no more than four (4) feet in height and no more than one (1) solid wall, or
- have two (2) canopy mesh side walls and no more than one (1) solid wall.

For full details, read the [Restaurant Operating Procedures](#) (11/17/2020 PDF, in English).

This document is also available in other languages on the DEH [website](#) under "Department of Environmental Health COVID-19 Guidance Documents."
