

COVID-19 UPDATES & INFORMATION

DUBLIN BUSINESS BRIEF

December 4, 2020 Special Notice

Alameda County to Adopt State's Regional Stay-at-Home Restrictions Beginning Monday, December 7

Alameda County Public Health announced today that the County, along with other Bay Area jurisdictions, will adopt the State of California's Regional Stay-at-Home framework, beginning Monday, December 7, at 12:01 a.m., through Monday, January 4, 2021.

The area Public Health Officers believe that this early action is needed because the number of new cases is rising rapidly in the region, and more cases are expected as a result of Thanksgiving gatherings. Hospitalizations are already matching the peak seen during the summer and there is a high risk of exhausting the system's capacity. This is a regional issue because hospitals provide overflow capacity for neighboring jurisdictions, and our neighboring counties have seen rapid increases in the past two weeks.

During this time, all private gatherings and all non-essential travel will be prohibited, and the following activities are restricted.

As of December 7, the following sectors must close:

- Indoor and outdoor playgrounds
- Indoor recreational facilities
- Hair salons and barbershops
- Personal care services
- Museums, zoos, and aquariums
- Wineries
- Bars, breweries, and distilleries
- Family entertainment facilities
- Cardrooms and satellite wagering
- Limited services - unless identified as Critical Infrastructure per the State of California. These include laundromats, dry cleaners, auto repair shops, car washes, landscapers, contractors, door-to-door service and sales.
- Amusement parks
- Offices - Remote work, only, except for critical infrastructure sectors where remote working is not possible.

The following sectors will have additional modifications in addition to 100% masking and physical distancing:

- Hotels and lodging - Open for critical infrastructure support only.
- Outdoor recreational facilities - Outdoor operations, only; no food, drink, or alcohol sales permitted. Additionally, overnight stays at campgrounds are prohibited.
- Places of worship and political expression - Outdoors, only; limited to 100 people for places of worship.
- Restaurants - Take-out and delivery, only.
- Retail and shopping centers - Permitted indoors at 20% capacity with entrance metering. Eating or drinking is prohibited in stores, and masks are required to be worn. Additionally, special hours must be made available for seniors and those with chronic conditions or compromised immune systems.

The following sectors are allowed to remain open when a remote option is not possible with appropriate infectious disease preventative measures including 100% masking and physical distancing:

- [Critical infrastructure](#)
- K-12 Schools - Only schools that are currently offering in-person learning may continue to be open.
- Non-urgent medical and dental care - Open, with modifications.
- Child care and pre-K - Open, with modifications.

The list of sectors/activities is also available on the Alameda County Public Health Department's [webpage](#).
