Dublin Small Business Recovery Grant Program

Applications will be accepted starting Friday, December 18, 2020

CITY OF DUBLIN RECOVERY BOOST GRANT PROGRAM

To help mitigate the severe impacts of the COVID-19 pandemic and related health orders on small businesses, the Dublin City Council approved the establishment of a Small Business Recovery Grant Program. The objective of the program is to offer financial assistance for recovery efforts for local small businesses forced to shift their operations to adhere to the continually changing county and state guidelines.

The program provides a reimbursement grant of up to \$10,000 to eligible small businesses for expenses incurred related to the COVID-19 pandemic; the grant does not need to be repaid.

Eligible businesses include, but are not limited to, retail, restaurant, personal care services, fitness, tutoring centers, indoor recreation, and family entertainment centers, and must meet the following requirements:

- Be a brick and mortar business located in Dublin
- Have an active City of Dublin business license

- Be an independently owned business, not a corporately held business
- Be in good standing with the City and currently operating (as allowed within current Health Order restrictions)
- Have no more than 50 employees

The City will begin accepting online applications on Friday, December 18, 2020 at 8:00 a.m., through a link on the City's website. Applications will be reviewed on a first-come, first-served basis.
