Alameda County Health Order Update

In response to this news, Alameda County has issued a new Health Order that also goes into effect at 11:59 pm tonight. The Alameda County Health Officer Order (issued January 25, 2021) streamlines the local orders and guidance to align more closely with the State in an effort to reduce confusion for businesses and residents as we move through the Blueprint tiers. The Order requires businesses and residents to comply with the State's:

- [Blueprint for a Safer Economy](#)
- [Guidance for the Use of Face Coverings](#)
- [Guidance for Gatherings](#)
- [Industry Guidance](#)

There are no additional local restrictions at this time. This Order:

- supersedes the previous Shelter in Place Order (20-21 and 20-21a),
- rescinds Appendix C (approved businesses and activities) included in previous orders,
- rescinds Appendix B (construction activities) as included in previous orders, and
- rescinds Health Officer Order 20-13 (Face Covering Order).

Starting January 26, 2021, in Alameda County:

- Residents may engage in personal and business activities as permitted or restricted in the [Purple Tier](#).
- Businesses must comply with the State's Industry Guidance, which requires a work-site specific protection plan and CalOSHA's COVID-19 Emergency Temporary Standards.
- Face coverings are still required - consistent with State requirements, everyone two years or older must wear a face covering when outside their home. For specific exemptions, please see the State's guidance for face coverings.
