Alameda County to Move into the Yellow Tier of the State's "Blueprint for a Safer Economy"

Alameda County Public Health Department (ACPHD) has announced that **beginning tomorrow, June 9**, the County will move into the State of California's "Yellow Tier," per its [Blueprint for a Safer Economy](#). This comes one week prior to the date of June 15, when the State of California will no longer require physical distancing or limited capacity for most businesses and activities.

In the yellow tier, capacity limits loosen for gatherings, private events, performances, gyms, bars, and more. Read the Blueprint Activity and Business Tiers [Chart](#) (PDF).

- **Gatherings:** Outdoors, maximum 100 people. Indoor gatherings are still strongly discouraged, but allowed with modifications and a maximum 50% capacity in settings where capacity limits exist or 50 people, whichever is fewer.
- **Private Events:** Outdoors, maximum 200 people. That rises to maximum 400 people if all guests are tested or show proof of full vaccination. Indoors maximum 200 if all guests are tested or show proof of full vaccination. With modifications: Purchased tickets or defined guest list; eating chart/assigned seating; no intermingling of multiple private events.
- **Indoor seated live events and performances:** All venues must admit in-state visitors only, with weekly worker testing; digital tickets; pre-designated eating area with six feet of distance; and suites at 25% capacity with a maximum of three households.
 - For venues up to 1,500 people: Maximum 25% or 300 people. That rises to 50% if all guests are vaccinated or show proof of full vaccination.
 - For venues 1,501 and above: Maximum 10% capacity or 2,000, whichever is fewer with modifications and no eating or drinking. That rises to 50% if all guests are tested or show proof of full vaccination.
- **Limited Services:** Open with modifications.
- **Outdoor playgrounds and outdoor recreational facilities:** Open with modifications.
- **Hair salons and barbershops:** Open indoors with modifications.
- **All retail:** Open indoors with modifications.
- **Shopping centers:** Open indoors with modifications. Reduced capacity food courts.
- **Personal care services:** Open indoors with modifications.
- **Museums, zoos, and aquariums:** Open indoors with modifications.
- **Places of worship:** Open indoors with modifications. Maximum 50% capacity.
- **Movie theaters:** Open indoors with modifications. Maximum 50% capacity.
- **Hotels and lodging:** Open with modifications. Fitness and spa centers, maximum 50% capacity.
- **Gyms and fitness centers:** Open indoors with modifications and maximum 50% capacity. This includes steam rooms and saunas.
- **Restaurants:** Open indoors with modifications and maximum 50% capacity.
- **Bars (where no meal is provided):** Open indoors with modifications and a maximum 25% capacity or 100 people, whichever is fewer.
- **Wineries, breweries, and distilleries:** Open indoors with modifications. Maximum 50% capacity or 200 people indoors, whichever is fewer.
- **Family entertainment centers:** Indoors maximum 50% capacity. That rises to 75% if all guests are tested or show proof of full vaccination. With modifications: 100% masking except for food and beverage service, which must be restricted to separate areas.
- **Cardrooms, satellite wagering:** Open indoors with modifications and maximum 50% capacity.
- **Offices:** Open indoors with modifications. Encourage telework.
- **Sports and live performances:** Maximum 67% capacity, includes suites with 25% occupancy per suite. Assigned seating required. In-state visitors only. Indoor concessions allowed in designated areas.

- **Amusement parks:** Maximum 35% capacity. Indoor capacity, maximum 25% capacity with time restrictions; weekly worker testing; and in-state visitors only.
- **Waterparks:** Maximum 40% capacity. Indoor capacity maximum 25% capacity. Collection of contact tracing information required.
- **Overnight sleepaway camps:** Open with modifications.

ACPHD suggested that businesses may want to use this week to plan for the broad reopening that the State will allow starting June 15.

June 9 through June 14, businesses and activities permitted to open or expand under the State's Yellow Tier must continue to comply with the State's [Industry Guidance](#) for that tier.

All workplaces governed by Cal/OSHA must follow their current standards (and the updated standards starting June 15) including masking requirements for employees.

For more information and resources, please refer to ACPHD's [Workplace Guidance](#) and [Worker Resources](#).

Reminder: Beyond the Blueprint Webinar for Local Employers

June 21 from 6:00 p.m. to 7:30 p.m.

Alameda County is hosting an online event for employers and business owners who are interested in learning about what will change in Alameda County when California fully reopens the economy.

Alameda County Update Moving Beyond the Blueprint

On June 15th, the State of California plans to fully reopen the economy. Join public health officials from Alameda County and the City of Berkeley to learn about local changes as California lifts restrictions for most businesses and activities.

Alameda County will host two events in June:

June 15th: Community-Based Beyond the Blueprint Update

This event is for community members to learn what it means for the economy to fully reopen on June 15th. [REGISTER HERE](#)

June 21st: Employer-Based Beyond the Blueprint Update

This event is for employers and business owners who are interested in learning about Cal/OSHA requirements, workplace safety measure recommendations, and what it means to return to usual operation once the economy fully reopens on June 15th. [REGISTER HERE](#)

Both events will be hosted virtually, via Zoom, from 6 PM - 7:30 PM.

Live language translation services will be available for American Sign Language, Cantonese, Spanish, and Vietnamese.

For more information—including registration details and the Zoom link—please visit our [Beyond the Blueprint](#) webpage.
