

Community Development Department
Building & Safety Division

Policy No.: BDP 33
Original Effective Date: August 1, 2011
Revised Date: January 1, 2020
Initiated By: Greg Shriver, Consulting Plan Check Engineer
Approved By: Gregory A. Shreeve, Sr., Chief Building Official
Subject: **Use of ABS in Residential Construction**

Code References

Section 701.2(2)(a) [HCD1 & HCD2] of the 2019 California Plumbing Code (CPC) and Dublin Municipal Code (DMC)

ABS and PVC installations are limited to not more than two stories of areas of residential accommodation.

The City of Dublin will allow the use of ABS in two stories of any multistory residential building that has plumbing fixtures on those floors. Specific details are required to be provided with the plans to show how the ABS piping is held in place, supported and methods for connection to the other types of pipe material being used.
