Building Demolition Application

Date: \_\_\_\_\_ Permit No.: \_\_\_\_\_

Project Address: \_\_\_\_\_

Submit two (2) copies of a site plan showing all existing buildings on the property clearly indicating which buildings are to be demolished and two (2) 8-in x 10-in pictures of each elevation. Identify the height of each building and its distance to pedestrian way (sidewalk). Show the type and location of applicable pedestrian protection as required by Section 3306 of the California Building Code (CBC). Prior to commencing work, a site inspection will be made by the Building Inspector to verify compliance of the proposed pedestrian protection. If applicable, show the location of any existing septic tanks and indicate how you propose to demolish the tanks.
